

WHAT BUSINESS ARE YOU IN?

DAVID ASHCRAFT

PRESIDENT & CEO, GLOBAL LEADERSHIP NETWORK

Why do you **EXIST**?

Name the business you're in.
Don't let activity replace purpose.

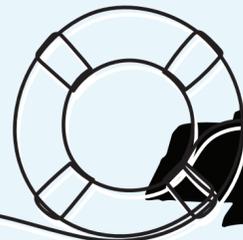

Refill it often.

"Does this introduce more people to Jesus?"

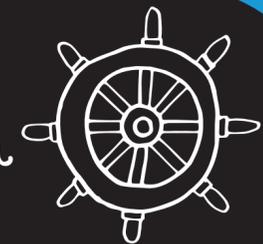

Risk comfort to rescue people.

Guard against drift.

Say **"NO"** to good things so you can say **"YES"** to the best things.

Let go of control
Growth happens when you release and empower.
